SAFE INDIA VISION, MISSION, OBJECTIVES

OUR VISION

We are feeding and guiding for children and they can reach their full potential.

OUR MISSION

Statement as children know the value of education and teach for unprivileged children.

YOUR SUPPORT ALWAYS NEED FOR US

We can provide the Self-assurance along with service to face life's challenges to live a meaningful life in the nation. We help these children to shine brightly for their future through providing underprivileged children with sustainable.

OBJECTIVES

- ▶ To improve the quality of life of the Orphan Children by establishing a permanent building for Children Orphanage, Health Care Centre and Career Growth Development.
- ▶ To provide basic needs to the Orphan, Tribal, Poor, Exploited and Marginalized children.
- ▶ To provide proper Education to the children in abandoned by spoiled parents.
- ▶ To provide guidance to the children for personal skills and career development by Doctors and Counsellors.
- ▶ To provide adequate education to these children to make them good citizen and have a better future through good education right from a tender age.
- ▶ To create awareness to the community and the outside world the need to protect and support the Orphan and needy children as well as protecting their rights.

BENEFICIARIES

The project is benefit to orphan, semi-orphan, abandoned and fosters children and saves the children lives. We are providing basic needs such as food, shelter and education to children and we will support their bright future and upliftment.

FRAME WORK

The frame work for this project is as follows
Once implemented the project is targeting

children of which generation will be represented. These will be Orphans, Tribal, Poor, Exploited and Marginalized children. This idea is to provide a happy life and proclaim moral values to these children and to eradicate poverty from their generation indirectly through providing sustainable education to these children.
